Now in its third year, the Long Island Technology Fast 50 is a unique awards program that exclusively seeks out the region's fastest growing technology companies for recognition. To qualify, companies must have been in business for at least five years; must have 1994 revenues of at least \$50,000; be headquartered on Long Island and must be developing and/or providing technology products or services. The Long Island Fast 50 are eligible to compete in the Deloitte & Touche "National Technology Fast 500" which ranks the nation's top 500 fastest-growing technology companies.

For more information regarding the Long Island Technology Fast 50 program or to purchase tickets for the September 23rd awards ceremony, please call 516-942-3123 or email lhullstrung@dtus.com.

Deloitte & Touche, one of the nation's leading professional services firms, provides assurance and advisory, tax and management consulting services through over 28,000 people in more than 100 U.S. cities. Deloitte & Touche is part of Deloitte Touche Tohmatsu, a global leader in professional services with more than 82,000 people in over 130 countries.
